IMPORTANT NOTICE

For Data Processing reasons, besides the item description, there is also a code number, subdivided in reference and variant.

- The reference portion identifies the item, the variant indicates the gradation, colour and packaging type.
- In order to process orders properly, please indicate, in case of direct orders, the complete code numbers of the items requested.
- The packaging represents the minimum order and is indivisible. The orders must therefore indicate the number of packages desired.
- The quantity of items included in the standard shipment cartons is also indicated. In order to get prompt deliveries, we recommend ordering only multiples of the standard cartons.

The Fila S.p.A. reserves the right to modify the technical characteristics listed in this catalogue without prior notice.
